

Whole House Protection

The Lyric family of encrypted wireless devices—including smoke, motion and glassbreak detectors, keypad, door/window sensor, siren and keyfob—feature Honeywell SiX™ two-way wireless technology for superior protection.

You sleep. We don't.

Lyric can be monitored by a central station 24/7. These highly trained professionals are always standing by, ready to send help to your home in the event of a burglary, fire, carbon monoxide event or other emergency. So, get some sleep. **We'll be up all night.**

Your Gateway
to a Smarter Home

Lyric™
Life in tune.

Savings, Comfort and Control

With Lyric, you can easily automate lights, thermostats, locks and more for savings, comfort and security. The customizable system works with your lifestyle and budget and can grow with your changing needs.

Honeywell Lyric™

Security. Comfort. Life. Perfectly in tune.

Ideal for today's mobile, on-the-go lifestyles, Lyric is designed for how you really live—with a wireless, secure platform that makes your home safer, smarter and more enjoyable than ever. Individually, each product performs brilliantly. Together, they're a way to orchestrate life.

You're in Control

Enjoy easy, affordable, automatic control of security, garage doors, locks, lights, thermostats and more—without having to remember to do them. Or, just control things from your everyday mobile devices or a sleek, easy-to-use interface whenever you want.

Lyric Gateway works via cellular, Wi-Fi® or Ethernet, so you can place it virtually wherever you want in your home and take it with you if you move.

Say Hello to Convenience

Lyric provides friendly, informative voice guidance—making operation simple by walking you through each and every step.

Arming to home mode.

Any phone.
Any tablet. Anywhere.

- **Easy, app-based** control of security, cameras, lights, locks and thermostats
- **Keep an eye** on your home, family and pets anytime with live, look-in video
- **Get email, text and video alerts** when important events occur, like when a door has been opened or a delivery arrives
